

GEORGETOWN SOUTH PROJECT CONSTRUCTION UPDATE

The Georgetown South (GTS) Project will provide infrastructure improvements to meet existing GO Transit ridership demand and future growth. It will also accommodate the new Union Pearson Express service between Union Station and Pearson International Airport. This project is one of the key elements of The Big Move.

Weston Noise Wall Update Meeting

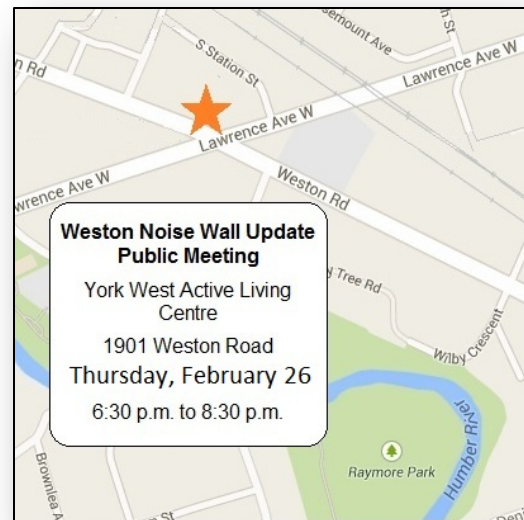

Trains have been operating in the Weston Tunnel since December 2014. While most of the work is complete, noise wall construction is underway and is expected to come to Weston over the coming months.

Please join us to learn more about the updated plans for the construction of noise walls in Weston.
