

The Georgetown South (GTS) Project will provide infrastructure improvements to meet existing GO Transit ridership demand and future growth. It will also accommodate the new Union Pearson Express service between Union Station and Pearson International Airport. This project is one of the key elements of The Big Move.

Help Choose Your Community's Public Art!

Lawrence Ave at Weston GO Station Noise Wall Beautification Consultation

**York West Active Living Centre
1901 Weston Road
Tuesday April 28
6:00 – 8:00 p.m.**

Metrolinx and the City of Toronto's StreetARToronto (StART) program have teamed up to deliver locally-inspired public art that deters graffiti while adding vibrancy and artistry to the community.

Come meet the short-listed artists at the consultation on April 28. This is your opportunity to review preliminary concepts and let the artists know what you want the art in your community to look like.

The successful artist will be chosen based on various criteria, including how the community's input is represented in the final design.
